FISCAL NOTE

SB 607

February 8, 2017

SUMMARY OF BILL: Renames the "Campbell/Falk Act" the "Falk Act".

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Public Chapter 1062 of the Public Acts of 2016 enacted the "Campbell/Falk Act", which added the right of communication, visitation, or interaction with other persons, including the right to receive visitors, telephone calls, or personal mail, to the list of powers removed from the respondent and vested in the conservator; and authorized certain individuals to petition the court to require the conservator to grant certain rights.
- Passage of this bill will only change the name of the act; it will not change any provisions of the act.
- Removing the reference to "Campbell" from the act codified with Public Chapter 1062 will have no fiscal impact on the state or local government.
